SECTION 6 Beneficiaries

A. Below, list the primary beneficiaries and contingent beneficiaries.

NOTE: If purchasing additional coverage, this beneficiary designation relates only to the additional coverage being purchased. Beneficiary designations for coverage already issued will remain in force as is.

If a beneficiary is designated as revocable, you (the Owner) will be able to change the beneficiary and make other changes to the coverage at any time without the beneficiary's consent. If the beneficiary designation is irrevocable, **the beneficiary's written consent will be required** in order to change the beneficiary, reduce coverage, cancel the policy, or make any other changes that may affect the value or ownership of the policy.

Except for the designation of a spouse as beneficiary in Quebec, a beneficiary designation will be revocable **unless you (the Owner) make it irrevocable** (for reasons such as satisfying the requirements of a divorce judgment, separation agreement, court order or partnership insurance agreement) by checking the box in the "irrevocable" column

below. In Quebec, the designation of a spouse as beneficiary is deemed irrevocable, **unless you (the Owner) specify** that the designation is revocable by checking the box in the Quebec column below.

If you (the Owner) name more than one primary beneficiary, please record the percentage of the death benefit each beneficiary is to receive. If no percentage is recorded, the death benefit will be divided evenly among the surviving eligible primary beneficiaries. You (the Owner) may also name one or more contingent beneficiaries who will receive a death benefit only if: a) no primary beneficiaries are alive when the benefit is payable; or b) a court decides that the primary beneficiaries are not eligible.

NOTE: If sufficient space is not available, please check here and complete a separate signed and dated sheet and attach to this form. Please follow the format used below, including percentage distribution if naming multiple beneficiaries.
